

## HARRIS TEETER - TOGETHER IN EDUCATION

**Ask your Cashier to Link when checking out #2180**

**What is it?**

Harris Teeter's Together In Education program is a fund raising program for schools (public or private- preschool through 12th grade) in our communities.

For all of the 2024-2025 school year, OLLS can earn \$10 for every HT Plus membership or trial membership sign-up. To qualify, you must **re-link your VIC card to school code 2180 every Aug. 1**, as well as sign up for a free 30-day trial membership or a paid membership of HT Plus. HT is no longer supporting schools through in-store purchases, just through the HT Plus membership.
